

WELCOME

At Rocksalt we believe in offering original dishes created using the best quality produce, all sourced locally wherever possible.

Our drinks list is no different in this respect.

From signature cocktails to our own take on some of the classics, you'll find here a comprehensive selection, with well-known names to original speciality drinks sourced from local brewers and producers.

It will change regularly as we introduce seasonal varieties and new finds, so if you like to try something different, keep your eye out for it here.
