WHERE WE SOURCE OUR PRODUCE

Where possible, our fish is caught by local day boats from the Southeast coastline while The Smoke Shed in Hastings provides us with the best smoked fish. Dairy products come direct from Plurenden Manor Farm, just down the road from sister site The Woolpack and our eggs are produced at Bank Farm in Aldington. We use a variety of meat suppliers, all of whom source from Kent and southern counties, while all fruit & vegetables are selected from the best farms around Kent.
